Dear Pat, Rich, Sheryl, Brian, and Chris:

On behalf of my board and especially the patients and families we serve, thank you. The quality of your work at our event was excellent. I have worked with quite a few auction teams, and I can easily say that you are the best I have ever encountered. There is no other team that could have raised as much out of that room, created such an engaging atmosphere, and (perhaps hardest on the list) exceeded my expectations.

The work you did for us on the 14th will impact thousands of families in our community coping with a life ending disease, grief, and loss. Your work, allows Hospice of the NW to provide the kind of dignified and compassionate care that we all want for those we love.

I am truly grateful,

Wendy J. Rohrbacher
